Team Event (CHA CHA CHA)

December 8 – 9 AM
Individual Stroke Play – Frosty Four Club

2018 Tournament Policies

1. All tournaments are to be designed and conducted with the goal of providing a test of golfing skills for the membership at various levels of playing ability in an atmosphere of fun and camaraderie.
2. Tournament schedule and formats to be determined by the Tournament Committee. Some tournament formats announced at the beginning of the year may change due to participation numbers and chance to introduce new formats.
3. All tournament play will be by USGA rules with variance granted for established and published local rules. Local rules are those rules established by the Golf Course or Tournament Committee that address unusual circumstances not covered by USGA rules.
4. Distribution of prizes determined by Tournament Committee using, but not obligated to, the following guidelines:
 - a. Equal award amounts for gross and net places,
 - b. Award distribution to be determined by the number of participants in each flight. That is larger flights may receive larger (or more) awards than smaller flights,
 - c. Gross finishes are determined first, then net finishes and so on,
 - d. No player or team can win a gross AND net prize in one tournament.
5. Flight placement will use current handicaps with adjustments for exceptional tournament scoring as determined by the USGA tournament exception guidelines and the handicap system. The Handicap Committee has the authority to make adjustments, as warranted, to a player's handicap, to reflect a player's current scoring potential.
6. The Tournament Committee will establish the scoring method to use when scoring adjustments are required. Typically percentage adjustments are applied to handicaps whenever there is a combined or mixed team event, i.e. Member / Guest and Member / Member tournaments are such situations.
7. The Tournament Committee will determine whether play will be suspended, postponed or canceled due to inclement weather. As inclement weather by its nature is unpredictable the Tournament Committee will make all efforts to continue play of a tournament round that is interrupted by inclement weather under USGA guidelines and Brookwoods Golf Course availability.
8. The Tournament Committee will establish minimum flight sizes for women and seniors/super seniors and whether a given flight size is sufficient to have both gross and net prizes.
9. The Tournament Committee will determine tie breaking procedures for each tournament (usually published with the Tournament Rules Sheet just prior to start of the tournament).
10. Senior Players, for BGA Tournament, purposes are defined as anyone who has a 60th birthday prior to the tournament date. Super senior players are those members who have a 70th birthday prior to the tournament date. You must declare your intent to play as a senior/super senior prior to the tournament. If you do not declare whether you plan to play in an upcoming tournament as a senior/super senior then you will be placed at the appropriate tee position at the discretion of the Tournament Director using past history to guide the decision.
11. The Handicap Committee will input all individual member scores for stroke play tournaments.

Brookwoods Golf Association Tournament Sign up Sheets
